

The background of the slide is a solid orange-brown color, overlaid with a pattern of stylized, semi-transparent autumn leaves in various shades of brown and orange. The leaves are scattered across the frame, creating a textured, seasonal feel.

Enforcement?

Enforcement is not our job

- We will promote the forest policy to those who will listen.
- We can distribute maps, etiquette tip sheets and help educate users who are forest abusers.
- Knowledge will improve behavior of most.

If needed we can call this guy

- Or a Simcoe County Forest officer
- There will always be a percentage of users who don't respect forest policy.
- Our trail patroller's hope is to help preserve the wonderful resource of our forest.
